“Its a pleasant feeling to recollect that I was also once a member of the Press Club of this great school. I'm proud to have FIEF in my timeline of history. The admiration of the school can only be more appreciated, especially after a keen observation of the global meltdown of MORALITY and ETHICS in youths of today. Two things I can bet on my life (If it were permitted) that FIEF will mould you to comply with "by everything it takes".

May Allah's continous blessing be on Sheikh Williams, Madam and the entire FIEF family.”

...Fief Academy will surely give you a good start in life
