# FIEF ACADEMY

## *A Brief History*

### Founding Years

We opened in 1984 and started operations fully in 1985 on the same ground till date. We were one of the first ever Government approved private schools in 1988 which was duly published in the Guardian newspaper.

### Our Influence

FIEF has produced a number of personalities including the Legal & Portfolio Consultant - Office of the Managing Director & WORLD BANK GROUP Chief Administrative Officer at The World Bank, Abdul Hasib Suenu who also recently received a PhD in International Economic Law. Suenu is equally a Barrister & Solicitor of the Supreme Court of Nigeria.

### Our Method

At FIEF, our children are taught in accordance to the religious doctrines of Islam. FIEF Academy is in tune with the Federal educational curriculum, supplemented by a curriculum in Qur'an, Islamic Studies and Arabic Language.

# SPIRITUALITY AND COMMUNITY

We are very proud to groom spiritually minded kids here at FIEF. Our kids are encouraged to pray the five daily Salah at the right time, attend all Friday Jumah Khutbah, fast during the holy month, memorise the Qur'an by heart and engage themselves in Islamic lectures among many more.

Our air conditioned on-campus mosque is equipped with religious materials and easily accessible to all students and staff alike.

## TESTIMONIALS

See what our parents have to say....

I am pleased with how FIEF takes care of every single child at the school in such a beautiful and loving way. I can proudly say it anywhere that FIEF is an outstanding school.

- Mrs Tawakalit Alawaye  
*Canada*

If I was given the opportunity, I would choose to keep my kids in FIEF 24/7 for the whole year. I am sure they will be taken care of better than myself and at a very affordable price.

- Mr Sadauna Sadiq  
*Kaduna, Nigeria*

FIEF has really made my children understand more about the teachings and the practice of Islam in the process of acquiring Western Education. FIEF is my first priority.
